EX-GOV. TAYLOR

Will Deliver Lecture at Pembroke May 10.

Ex-Gov. Bob Taylor will deliver his new lecture "Sentiment," in Pembroke on the evening of May 10. The distinguished and brilliant Tennesseean has always been a favorite with Pembroke people and his coming is looked forward to with much pleasure. It is safe to say that there will be a large demand for seats. In mentioning the new lecture the New York Herald closes a long article of praise with the following: "Between songs the former governor would start off on a picturesque description of the Charms of the South. It was like the tinkling of bells, the rippling of running water, and the audience seemed to regret the ending when he bowed and retired."

CRUSHED BY CARS.

Lee Harris Killed Near Guthrie—Body Badly Mutilated.

Lee Harris, of Cumberland Furnace, Tenn., was killed by the cars one mile south of Guthrie at an early hour Friday morning. His legs and arms were severed and his body horribly mutilated.

Harris formerly lived near Springfield, Tenn., and later he had resided near Guthrie. About a week ago he came to Guthrie on a visit to friends. It is said that he attempted to ride on a freight train from the latter place to Springfield and was put off. It is not known whether he was struck by the engine while walking on the track or whether he fell from the train.

He was about 40 years old and is thought to have been drinking, as a broken whisky bottle was found in his pocket.

The remains were buried near the point where the fatal accident occurred.

MATCH HEAD.

Divided And Caused Destruction of House And Contents.

A house occupied by John Jones, col., near Pee Dee, was burned last Thursday night. Jones' wife struck a match to light a lamp and the supposition is that a piece of the match fell in some trash in a corner of the room, starting the fire. She left for a near by spring to get some water soon after lighting the lamp and on her return she found the building in a blaze. The flames quickly enveloped the house and none of the contents could be saved.

The house belonged to Mr. J. D. Coleman, of Clarksville. There was no insurance on either building or contents.
